Menomonie to hold ‘Meet the Neighborhood’ meetings

Menomonie— The Dunn County Partnership for Youth (DCPFY) and the Menomonie Police Department will be partnering to host ‘Meet the Neighborhood’ meetings throughout the City of Menomonie. These events are open to families and businesses located in the City of Menomonie and will allow citizens to share concerns, ask questions, and better understand the process related to resolving their concerns.

The premise for the Meet the Neighborhood meetings was developed following the candidate forum that was held for Menomonie City Council and Dunn County Board candidates and put on by the DCPFY earlier this year. Following the popular event, the overwhelming feedback was that community members would like more of this open dialogue with their local alderpersons and city representatives. Conversely, The Menomonie Police Department has been interested in implementing a Neighborhood Watch program to educate and inform citizens.

The meetings will be held periodically throughout the city by City Ward. The first meeting will be focused on City Wards 9 and 10 and will be held on Thursday, July 28 at the Shirley Doane Senior Center, located at 1412 6th St. E, Menomonie. Representatives from the DCPFY, Menomonie Police Department, and Menomonie City Council will be on hand for coffee and treats beginning at 6:00 p.m. and discussion from 6:30-7:30 p.m. Meetings for other wards will be determined at a future date.
